## Summer Food Service Program in New York State 2016-2017 Sponsor Directory

### Children of all ages need healthy food all year long to grow, learn, and play.

When the school year ends, the USDA's Summer Food Service Program (SFSP) ensures that children have access to nutritious meals throughout the summer months. These summer meals bridge the nutritional void that occurs when free and reduced-price school meals are not available to brace kids' academic and physical development. All kids and teens ages 18 and younger (21 and younger for young adults with disabilities) may eat summer meals, where provided.

Thanks to the efforts of NYS Education Department and 348 sponsors, more than 3,000 locations were approved to serve meals and snacks to children throughout New York State in the summer of 2016, including parks, schools, playgrounds, recreation centers, public pools, day and resident camps, housing authorities, libraries, and other places in their neighborhoods ([NYSED, 2016](#)).

### Sponsors make summer meals a success!

Hunger Solutions New York acknowledges and commends the work that each SFSP sponsor accomplishes every year. By operating the SFSP, sponsors not only provide children with nutritious food, but also create safe spaces in neighborhoods, build community relationships, invest in child well-being, and advance the cause of alleviating child hunger throughout the state.

All SFSP sponsors who operated open (welcoming all youth), closed-enrolled (for youth only in a specific program), and/or camp-setting programs across the state during summer 2016 are listed. The directory's purpose is to bring attention to their local presence so that those interested in promoting and/or providing summer meals in underserved communities may easily connect with experienced sponsors.

To learn more about supporting summer meals in your community, and/or to provide updates to this directory, please contact Misha Marvel at [misha.marvel@HungerSolutionsNY.org](mailto:misha.marvel@HungerSolutionsNY.org) or (518) 436-8757 x120.
