Summer Food Service Program in New York State 2020-2021 Sponsor Directory

Children need healthy food all year long to grow, learn, and play.

When the school year ends, the USDA's Summer Food Service Program (SFSP) ensures that children have access to nutritious meals throughout the summer months. These summer meals bridge the nutritional void that occurs when free and reduced-priced school meals are not available to brace kids' academic and physical development. All kids and teens ages 18 and younger (21 and younger for those with disabilities) may eat summer meals.

Sponsors make summer meals a success!

Hunger Solutions New York acknowledges and commends the work that each SFSP sponsor accomplishes every year. By operating the SFSP, sponsors not only provide children with nutritious food, but also create safe spaces in neighborhoods, build community relationships, invest in child well-being, and advance the cause of alleviating child hunger throughout the state.

All SFSP sponsors who operated open (welcoming all youth), closed-enrolled (for youth only in a specific program), and/or camp-setting programs during summer 2020 are listed, along with additional sponsors planning to operate in summer 2021. The directory's purpose is to bring attention to their local presence so that those interested in promoting and/or providing summer meals in underserved communities may easily connect with experienced sponsors.

To learn about ways to support summer meals in your community, or provide updates to this directory, please contact Krista Hesdorfer at krista.hesdorfer@HungerSolutionsNY.org or 518-436-8757 x137.
