LDSS-5166 SNAP-Only Application

NYS has introduced a simplified SNAP-only application for people 60 and older or those with a disability. Known as the Elderly Simplified Application Project (ESAP), this new application is part of a larger effort to simplify the SNAP application/recertification process for these vulnerable populations, in an effort to increase participation.

ESAP is designed to dramatically simplify the SNAP application and verification process for eligible households, while also reducing the administrative burden on states. In NYS, SNAP applicants are eligible for ESAP if all household members are age 60 or older and have no earned income. Also eligible are households with disabled members and households that include children.

New York State Nutrition Improvement Project (NYSNIP)

04 LCM-13

GIS 12TA/DC019

GIS 16TA/DC050

OTDA operates a Combined Application Project (CAP) called the New York State Nutrition Improvement Project (NYSNIP), which automatically enrolls single Supplemental Security Income (SSI) live-alone recipients into SNAP. No separate SNAP application, interview, or verification are needed to be automatically enrolled.

Although NYSNIP is designed to make it easier for eligible elderly and disabled SSI recipients to receive SNAP, the program's notices contain a lot of information that may be overwhelming to many SSI recipients. Community agencies and advocacy groups working with the elderly and disabled can help new NYSNIP participants understand what the program is all about, assist in completing the shelter and utility questionnaire, and encourage people to use their SNAP benefits. Ongoing recipients may need help completing the interim mailer and returning it to their local SNAP office.

Who Can Participate

The SNAP office/HRA center uses data matching monthly to find eligible NYSNIP participants from the list of newly approved SSI recipients in NYS.

NYSNIP is available only to SSI live-alone recipients—those classified as “living alone” by Social Security Administration (SSA) (i.e., live by themselves and pay their food, shelter, and clothing expenses). This code, called an “A/A,” designates a federal SSI living code of ‘A’ and a State Supplement code of ‘A.’ SSA sets these codes, not the SNAP office/HRA center. Only SSA can code SSI recipients as live-alones.

NYSNIP, cont.

SSI live-alone applicants will not get SNAP benefits through NYSNIP. Only if/when they become SSI recipients will their NYSNIP benefits start. Unlike Medicaid or SSI, there is no retroactive NYSNIP eligibility. NYSNIP benefits start the first or second month after the first ongoing SSI check is issued.

SSI couples and recipients in other living arrangement categories **cannot** participate in NYSNIP, but they can receive SNAP through the regular application process.

GIS 12TA/DC019

Eligibility Rules for 18- to 21-year-old SSI Recipients Coded A/A by SSA

SSI participants ages 18 to 21 can be coded A/A, designating them as SSI live-alone, even if they reside with their parents, as long as they are paying their parents for living at home. These SSI recipients can participate in NYSNIP as a separate SNAP household, as long as the parents are not in receipt of SNAP benefits.

If both the parents and the 18- to 21-year-old SSI live-alone are either current SNAP participants or are applying for SNAP, then this family must apply together as one household under regular non-NYSNIP SNAP eligibility rules.

Benefit Amounts and Certification Periods

NYSNIP has standardized SNAP benefits; the SNAP budget is not individualized. The benefit standards consider four factors:

- The cost of shelter
- Eligibility for the heating/cooling standard utility allowance
- Presence of other income
- Geographic location

A chart listing the NYSNIP benefit allotments can be found at HungerSolutionsNY.org/federal-nutrition-programs/snap/snap-and-seniors/nysnip/

Opting out of NYSNIP

NYSNIP participants should get the same or more SNAP benefits than they would ordinarily receive through the regular SNAP application process. Anyone who would receive a lower amount should be able to “opt out” of NYSNIP and enter the regular SNAP application process if they wish.

Some SNAP recipients will be eligible for a higher SNAP allotment if they opt out of NYSNIP. That is because those households with high shelter costs (more than \$264) that did not receive a HEAP benefit of \$21 and are not paying for heating/cooling costs will receive a minimum benefit of \$38 or \$32 through NYSNIP.

Actual shelter costs may exceed \$264 in the regular SNAP budgeting process, and because NYSNIP is a standardized benefit, the costs are not budgeted in the same way.

NYSNIP, cont.

NYSNIP recipients can ask the SNAP office to do a comparison budget to help them determine whether they will receive a higher SNAP benefit by using regular SNAP rules or if NYSNIP enrollment is more beneficial. The SNAP office should then give these NYSNIP recipients the opportunity to opt out of NYSNIP.

If a person decides to opt out of NYSNIP, they will no longer be eligible for the 48-month certification period. A new application does not need to be submitted for people who transition from NYSNIP to the regular SNAP program.

New SNAP Recipients Under NYSNIP

New SNAP recipients under NYSNIP will initially receive the minimum benefit level of \$38 or \$32. However, by filling out and returning a short form (LDSS-4841) included with their NYSNIP opening notice (includes questions about shelter and utility costs), benefits may be adjusted up to the maximum SNAP benefit level—as high as \$250.

New NYSNIP participants **must access their SNAP account within 90 days of the case opening:**

If the redemption of SNAP benefits **does not occur within 60 days:** OTDA sends a reminder notice urging the individual to use their SNAP benefits within the next month. The reminder has a list of community agencies that NYSNIP recipients can call for assistance.

If the redemption of SNAP benefits **does not occur within 90 days:** OTDA closes the NYSNIP case. This individual has to go through the regular SNAP application process if they want to rejoin NYSNIP or to participate in the regular SNAP application process.

NYSNIP Certification Period

The NYSNIP certification period lasts up to four years, with a short mail-in questionnaire required at the midway point. Recipients **MUST** return this questionnaire—called an “interim report” (LDSS-4836)—to continue receiving SNAP for the remaining two-year period. Participants who lose SSI live-alone status will be taken out of NYSNIP; however, they can still receive regular SNAP benefits, if they apply and are found eligible.

Changes to the NYSNIP Benefit Matrix and Benefit Allotments

NYSNIP benefit allotments are adjusted each October 1 and January 1*. This can reduce the monthly SNAP benefit allotment for some NYSNIP recipients. When this occurs, budgets may need to be examined closely to see if the person would benefit from using regular SNAP rules or if NYSNIP enrollment is more beneficial. See *Opting out of NYSNIP* earlier in this section for more information.

Read the Important Information Below

Sex and Gender Identity: New York State ensures your right to access benefits and/or services regardless of sex, gender identity, or expression. You must report your sex and the sex of all household members as male or female. The sex you report here must be the same as what is currently on file with the United States Social Security Administration. The sex you report is needed to process your application. It will not appear on any benefit card you may receive or any other public-facing document.

Gender identity is how you perceive yourself and what you call yourself. Your gender identity can be the same as or different from your sex assigned at birth. Gender identity is not required for this application. If your gender identity, or the gender identity of anyone in your household, is different than the sex you report for that person and you would like to provide that person's gender identity, print "Male," "Female," "Non-Binary," "X," "Transgender," or "Different Identity" in the space provided. If you print "Different Identity," you may choose to describe that person's identity further in the space provided. Providing this information is voluntary. It will not affect the eligibility of the persons applying or the level of benefits received.

SNAP Penalty Warning – Any information you provide in connection with your application for SNAP will be subject to verification by Federal, State and local officials. If any information is incorrect, you may be denied SNAP. You may be subject to criminal prosecution if you knowingly provide incorrect information which affects eligibility or the amount of benefits. Anyone who is violating a condition of probation or parole or anyone who is fleeing to avoid prosecution, custody or confinement for a felony, and is actively being pursued by law enforcement, is not eligible to receive SNAP benefits.

If a SNAP household member is found to have committed an Intentional Program Violation (IPV), the member will not be able to get SNAP benefits for a period of:

- 12 months for the first SNAP-IPV;
- 24 months for the second SNAP IPV;
- 24 months for the first SNAP-IPV, that is based on a court finding that the individual used or received SNAP benefits in a transaction involving the sale of a controlled substance. (Illegal drugs or certain drugs for which a doctor's prescription is required.)
- 120 months if found guilty of making a false statement about who you are or where you live in order to get multiple SNAP benefits simultaneously, unless permanently disqualified for a third IPV.
- Additionally, a court may bar an individual from participation in SNAP for an additional 18 months.
- Permanent disqualification of an individual for:
 - The first SNAP-IPV based on a court finding of using or receiving SNAP benefits in a transaction involving the sale of firearms, ammunition or explosives.
 - The first SNAP-IPV based on a court conviction for trafficking SNAP benefits for a combined amount of \$500 or more (Trafficking includes the illegal use, transfer, acquisition, alteration or possession of SNAP authorization cards or access devices.)
 - The second SNAP-IPV based on a court finding that an individual used or received SNAP benefits in a transaction involving the sale of controlled substances. (Illegal drugs or certain drugs for which a doctor's prescription is required.)
- All third SNAP-IPV Intentional Program Violations.

Any person convicted of a felony for knowingly using, transferring, acquiring, altering or possessing SNAP authorization cards or access devices may be fined up to \$250,000, imprisoned up to 20 years or both. The individual may also be subject to prosecution under the applicable Federal and State laws.

You may be found ineligible for SNAP or found to have committed an IPV if:

- You make a false or misleading statement, or misrepresent, conceal or withhold facts in order to qualify for benefits or receive more benefits; or
- Purchase a product with SNAP benefits with the intent of obtaining cash by intentionally discarding the product and returning the container for the deposit amount; or
- Commit or attempt to commit an act that constitutes a violation of Federal or State law for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits, authorization cards or reusable documents used as part of the Electronic Benefit Transfer (EBT) system.
- Additionally, the following is not allowed and, you may be disqualified from receiving SNAP benefits and/or be subject to penalties for actions that include:
 - Using or have in your possession EBT cards that do not belong to you, without the card owner's consent; or
 - Using SNAP benefits to buy nonfood items, such as alcohol or cigarettes, or to pay for food previously purchased on credit; or
 - Allowing someone else to use your electronic benefit transfer (EBT) card in exchange for cash, firearms, ammunition, explosives or drugs, or to purchase food for individuals who are not members of the SNAP household.

Overpayment – If you get more SNAP benefits than you should have (overpayment), you must pay them back. If your case is active, we will take back the amount of the overpayment from future SNAP benefits that you get. If your case is closed, you may pay back the overpayment through any unused SNAP benefits remaining in your account, or you may pay by cash.

If you have an overpayment that is not paid back, it will be referred for collection, including automated collection by the federal government. Federal benefits (such as Social Security) and tax refunds that you are entitled to receive may be taken to pay back the overpayment. The debt will also be subject to processing charges.

Any SNAP benefits expunged from your EBT account will be used to reduce current overpayments. If you apply for SNAP again, and have not repaid the amount you owe, your SNAP benefits will be reduced if you begin to get them again. You will be notified, at that time, of the amount of reduced benefits you will get.

Consent – I understand that by signing this application form I agree to any investigation made by the New York State Office of Temporary and Disability Assistance or my local social services district to verify or confirm the information I have given or any other investigation made by them in connection with my request for SNAP benefits. If additional information is requested, I will provide it. I will also cooperate with State and Federal personnel in a SNAP Quality Control Review.

I understand that by signing this application/certification, I consent to an investigation to verify or confirm the information I have given and other investigation by any authorized government agency in connection with Home Energy Assistance Program (HEAP) benefits. I also consent to allow the information provided on this application to be used in referrals to available weatherization assistance programs and my utility company's low-income programs. I understand that the State will use my Social Security Number to verify with my home energy vendors the receipt of HEAP. This authorization also includes permission for any of my home energy vendors (including my utility) to release certain statistical information, including but not limited to, my annual electricity usage, electricity cost, fuel consumption, fuel type, annual fuel cost and payment history to the Office of Temporary and Disability Assistance and the local Social Services District and the United States Department of Health and Human Services for the purposes of Low Income Home Energy Assistance Program (LIHEAP) performance measurement.

Consent for Release of Confidential Unemployment Insurance (UI) Information – I authorize the New York State Department of Labor (DOL) to release any confidential information, maintained by DOL for Unemployment Insurance (UI) purposes, to the New York State Office of Temporary and Disability Assistance (OTDA). This information includes UI benefit claims and wage records. I understand that OTDA, along with State and local agency employees working in local social services district offices, will use the UI information for establishing or verifying eligibility for, and the amount of SNAP applied for in this application and for investigations to determine whether I received benefits to which I was not entitled.

Release of Information to Service Providers – I give permission to the social services district and New York State to share information regarding Supplemental Nutrition Assistance Program benefits that I or any member of my household for whom I can legally give authorization have received, for purposes of verifying my eligibility for services and payment related to program administration provided by a State or local contractor. Such services may include, but are not limited to, job placement or training services provided to help me or my household members obtain and retain employment.

SUA (Standard Utility Allowance) Information – I understand that SNAP recipients are categorically income eligible for the Home Energy Assistance Program (HEAP). If I have not received a HEAP benefit of greater than \$20 in the current month or previous 12 months, or other similar energy assistance program benefits, I must pay separately for a heating, air conditioning or utility expense in order to receive a Standard Utility Allowance.

Changes – I agree to inform the agency **promptly** of any change in my needs, income, property, living arrangement, able-bodied adult without dependents (ABAWD) status including if my hours of work fall below 80 hours per month, pregnancy status or address to the best of my knowledge or belief in accordance with my reporting requirements.

Requirement to Report/Verify Household Expenses – I understand that my household must report child care and utility expenses in order to get a SNAP deduction for these expenses. I further understand that my household must report and verify rent/mortgage payments, property taxes, insurance, medical expenses and child support paid to a non-household member in order to get a SNAP deduction for these expenses. I understand that failure to report/verify the above expenses will be seen as a statement by my household that I/we do not want to receive a deduction for those unreported/unverified expenses. A deduction for these expenses may make me eligible for SNAP or may increase my SNAP benefits. I understand that I may report/verify these expenses at any time in the future. This deduction would then be applied to the calculation of SNAP in future months in accordance with the rules for change reporting and processing changes.

In applying for SNAP, I understand that the social services district will request and use information available through the Income and Eligibility Verification System to investigate my application, and may verify this information through collateral contacts if discrepancies are found. I also understand that such information may affect my eligibility for SNAP and/or level of SNAP benefits I receive.

Privacy Act Statement – Collection and Use of Social Security Number (SSN) – The collection of SSN's is authorized for each household member with respect to SNAP pursuant to the Food and Nutrition Act of 2008. The information we collect will be used to determine whether your household is eligible or continues to be eligible for assistance or benefits. We will verify this information through computer matching programs. This information will also be used to monitor compliance with program regulations and for program management. This information may be disclosed to other State and Federal agencies for official examination and to law enforcement officials for the purpose of apprehending persons fleeing to avoid the law. The information will be used to check identity and to verify earned and unearned income.

If a SNAP claim arises against your household, the information on this application, including all SSN's, may be referred to Federal and State agencies, as well as private claims collection agencies, for claims collection action. Anyone applying for SNAP must provide a SSN. SSN's of ineligible members will also be used and disclosed in the manner above. If you or anyone applying/recertifying does not have a SSN, a SSN must be applied for with the Social Security Administration (SSA.gov).

Besides using the information, you give us in this way, the State also uses the information to prepare statistics about all the people receiving benefits from the Home Energy Assistance Program. The information is used for quality control by the State to make sure local districts are doing the best job they can. It is used to verify who your energy supplier is and to make certain payments to such vendors.

Citizenship/Immigration Status – I swear and/or affirm under penalty of perjury that the information I have provided about the citizenship and immigration status of myself and everyone living with me is true and correct. I understand that any information I provide to verify the immigration status of anyone applying for SNAP may be checked for authenticity with the United States Citizenship and Immigration Services.

For SNAP, citizenship must be documented **only if questionable**.
