

# It's more than a meal application.

---

Even when school meals are free for all, it's still important to submit a free/reduced price meal application. Completing one takes **less than 10 minutes**, and it's private and confidential. Only one application per household is needed.

When you fill out a school meal application, students and schools may benefit from:

## P-EBT benefits

& free school meals

## Resources

for classrooms, teachers, & children

Federal, state, & local  
**funding**  
for school budgets

Funding for  
**computers**  
& technology

## Fee waivers

for college applications &  
admissions tests (SAT, ACT)

**Don't Delay! Complete and submit an application today.**
