

Hi, I'm Wanda.

I can help you  
learn about

**WIC.**

Wanda is WIC's new 24/7 virtual assistant. Chat with her online—in less than 3 minutes, you can learn if you might qualify for WIC and get connected to your local WIC clinic.

WIC provides healthy food, nutrition education, breastfeeding support, and community connections to pregnant women, new moms, infants, and kids under 5. Dads, grandparents, guardians, and other caregivers can apply for WIC for children in their care. Working families and non-U.S. citizens can qualify, too.
