

Child Nutrition Programs are **Vital** for Kids & Families in **NY-5**

1 in 4 children are food insecure in NY's 5th Congressional District. Federal nutrition programs help. Congress must protect and strengthen these vital food resources for children and families.

IN YOUR DISTRICT:

53,158 kids eat free school meals to fuel learning and growth.

32% of SNAP participants are children. SNAP helps families afford groceries, supporting food security and lifting children out of poverty.

IN QUEENS:

55,710 infants, young children, and pregnant and postpartum moms participate in WIC—a 15% increase since 2020. WIC provides public health services, nutrition education, breastfeeding support, and access to nutritious foods.

1,721 child care and afterschool program providers serve healthy food to children in their care through the **Child and Adult Care Food Program.**

39,710 kids eat free summer meals through the **Summer Food Service Program.** Families can also participate in **Summer EBT** to help stretch grocery budgets in the summer months.
