

Celebrate National CACFP Week March 16-22, 2025

It's National CACFP Week! Join us in celebrating the childcare providers, afterschool programs, and schools that serve healthy meals and snacks to children through the [Child and Adult Care Food Program](#) (CACFP). This week, we want to highlight the [Jamestown YMCA](#), a CACFP sponsor serving meals in Jamestown to children in childcare and afterschool programs. [Read our blog post to learn more!](#)

The CACFP reimburses eligible afterschool programs and childcare providers for serving healthy meals and snacks to children in their care. Participation helps alleviate hunger and supports kids' learning, development, and formation of lifelong healthy eating habits.

Thousands of childcare providers and afterschool programs already participate in CACFP. Many more are eligible but not enrolled. Take action to help us spread the word and expand access to this valuable program:

1. **Visit** [AfterschoolMealsNY.org](#) and [ChildCareMealsNY.org](#) to learn about eligibility, access resources, and more.
2. **Share your story** about CACFP in your program to help providers understand its benefits.
3. **Learn more** about [National CACFP Week](#) with the National CACFP Sponsors Association.
